MAY REDUCE SPEED LIMIT ON ROAD TO INDIANAPOLIS

Stating that a speed limit of fifty
miles an hour was in prospect for
United States 40 between Brazil and
Indianapolis owing to the numerous
accidents that have followed the of-
ficial opening of the new pavement,
Serg. James Watts of the Indiana
State Police said that the accidents
have average three a day since the
road opening.

Watts said that the accidents
were caused by high rate of speed,
which resulted in cars over-running
the edge of the pavement on the
slightest swerve and getting into
difficulties in the heavy mud of the
road shoulders.

Students Begin Annual Exodus

CLASS WORK AT UNIVERSITY
ENDS TOMORROW DUE TO
XMAS VACATION

Pre-Christmas activities on the
DePauw campus came to an end
Thursday morning with the singing
of carols in a student chapel. Led by
Brad Chaffin and paced with the
singing of the "Gentlemen of Note,"
campus choral group, the students
sang such old carols as "Silent
Night," "The First Noel," "Come All
Ye Faithful" and the perennial fa-
vorite, "Jingle Bells."

An unusual feature of the student
singing. Using the University's re-
cording equipment, Dr. Paul Fay
made records of each of the carols.
These records will be filed with other
student recordings for future use. No
chapel was scheduled for Friday.

Class work for 1941 will come to
an end Saturday noon when the
Christmas vacation begins. The re-
cess will end January 5. Some stu-
dents will begin leaving the campus
as early as Friday as individual pro-
grams are finished.

Various organizations on the cam-
pus contributed to a Christmas fund
which is turned over to the Green-
castle Relief Association under the
direction of Ernest Collins. The fund
which was sponsored by the student
newspaper, the DePauw, will amount
to over \$476.

nam County; Well Known In
Greencastle

Dr. George L. Sandy of Martins-
ville, and well known in Putnam
county, was killed in an automobile
accident two miles south of Moores-
ville Thursday afternoon. Police who
investigated the accident said the
automobile driven by Dr. Sandy col-
lided almost head-on, with a car driv-
en by Mrs. Dorothy Kendall of
Mooresville who had turned in front
of the Sandy machine to enter a side
road. Dr. Sandy died in Mooresville
while en route to an Indianapolis
hospital. Mrs. Kendall was not seri-
ously hurt.

Dr. Sandy was a son of Mrs. W. J.

Honolulu.

Dr. Sandy was graduated from De-
Pauw University with the A. B. and
M. A. degrees and had practiced med-
icine in Martinsville several years.
At the time of his death he was on

547 Midshipmen Hear Sec. Knox

AWARDED DIPLOMAS TODAY BY
NAVAL SECRETARY AT
ANNAPOLIS

ANNAPOLIS, Md., Dec. 19.—(UP)—
Secretary of Navy Frank Knox will
address a mid-year graduating class
at the naval academy today and pre-
sent diplomas to 547 midshipmen.

The graduates are the first to com-
plete a shortened course initiated
under the current emergency pro-
gram. Commissions as ensigns in
the line will go to 495 of the gradu-
ates and 24 will be commissioned as
second lieutenants in the marine
corps. Twenty six will be honorably
discharged but academy officials said
they probably would receive commis-
sions in the naval reserves and be
called to active duty soon. Two other
commissions are being held up.

Among the graduates is the son of
Rear Admiral Isaac C. Kidd who was
killed in the Japanese surprise attack
on Pearl Harbor. Isaac C. Kidd, Jr.,
is reported to have asked to be as-
signed to active submarine duty im-
mediately.

Knox's address was awaited with
considerable interest inasmuch as it
will be his first since his return from
Hawaii where he examined the de-
struction wrought by Japanese air-
planes and submarines. His report
released earlier this week charged
that the army and navy were "not on
the alert."

GUESS WHO?

Last week's Guess Who, Mrs. Alta
Elizabeth Varvel Shaner of Madison
township, was correctly guessed by
Dorothy Brown, 117, Green street,
and Harry Conrad, living on R. R. 1,
and they are awarded free tickets
to the current showing at the Von-
caste theater. The picture was taken
when Mrs. Shaner was two years old.
This week's Guess Who is a well
known citizen of the community.
Can you guess who?

Claim Capture Of Hong Kong

BRITISH GARRISON REPORTED
HOLDING OUT DESPITE
JAP CLAIM

LONDON, Dec. 19.—(UP)—A
London military spokesman said to-
day that latest advices from Hong
Kong indicated that the British gar-
rison still is resisting in the area
under their control.

TOKYO, Dec. 19 (Official Japan-
ese broadcast recorded by United
Press at Manila)—Japanese reports
today said that Hong Kong had been
in Japanese hands since 11 a. m. Fri-
day (8 p. m. CST Thursday).

LONDON, Dec. 19.—(UP)—Brit-
ish empire troops from three contin-
ents, tanned Canadians, killed Scots
and turbaned Indians, are fighting
desperately against Japanese troops
who have effected landings on Hong
Kong island, it was announced today.
A military commentator announced
that the Japanese had effected a
landing on the island of "consider-
able" proportions, that heavy fight-
ing was in progress and that the
British position was serious.

Details of the situation were scant,
the spokesman said, and he was un-
able to comment on the jubilant Ja-
panese imperial headquarters claim
that the Japanese in a combined
land, sea and air attack, had effected
a landing at three points. Nor was
it known here whether the landing
had been effected by parachute or
boat-transported troops.

Train Derailed At Montmorenci

BIG FOUR PASSENGER HITS OV-
ERTURNED AUTO ON HIGH-
WAY CROSSING

MONTMORENCI, Ind., Dec. 19.—
(UP)—Ten persons were injured to-
day, none of them seriously, when
a Big Four passenger train was de-
railed after striking an automobile
which had overturned at the inter-
section of Roads 52 and 53.

Four of the train's eight coaches
were overturned and the others came
off the rails.

The long stretch of track was
torn up and traffic was tied up for
several hours along the right-of-way.
State Police reported that an au-
tomobile driven by Clifford Miller,
20, Lafayette, overturned while at-
tempting to make a left turn and
rolled on the tracks.

Miller was not injured and went to
a nearby filling station for help.
While he was gone, the train, trav-
eling about 50 miles per hour, ram-
med into the wreckage.

The 10 injured persons were taken
to a Lafayette hospital and six of
them were released after treatment.
Condition of the other four was not
serious.

MARTINIQUE IS NEW U. S. LINK; BLOW TO AXIS

STRATEGIC FRENCH NAVAL
BASE IN CARIBBEAN IS
TAKEN OVER

ACCORD SECRETLY EFFECTED

United States Takes Initiative On
Both Ocean Battlefronts
Reports Assert

WASHINGTON, Dec. 19.—(UP)—
The United States today held the in-
itiative on both ocean battlefronts
with submarine attacks carrying the
war closer to Japan's island empire
and an accord linking the French
West Indies to the U. S. chain of At-
lantic defenses.

Strategic Martinique naval base in
the Caribbean with its French war
vessels and planes was barricaded
against any axis thrust by an accord
secretly negotiated at Fort de France
by the French high commissioner,
Admiral Georges Robert, and a "sail-
or diplomat" of the U. S. navy, Rear
Admiral Frederick J. Horne.

In the Pacific the navy announced
that American submarines had sunk
a Japanese transport and probably
an enemy destroyer in this country's
first officially-described undersea of-
fensive of the 12-day-old conflict.

Three days ago Admiral Thomas
C. Hart, commander of the U. S.
Asiatic fleet, revealed that American
submarines had gone into action and
the Tokyo radio was heard warning
Japanese ships that 20 or more
American submarines had "encircled"
Japan.

The naval accord with the French
West Indies was a strategic diplo-
matic victory on the Atlantic battle-
front, regarded by Washington ob-
servers as removing a possible men-
ace to American defenses that reach
for 5,500 miles from Iceland to Dutch
Guiana.

It is being brought back to Wash-
ington today by Horne to be pre-
sented to President Roosevelt, Secretary
of State Cordell Hull and naval offi-
cials.

It is expected to be a barrier
against any German attempt to seize
Martinique and the French West In-
dies as a base for operations against
this country and presumably provides
for joint defense of the French pos-
sessions.

For several months there has been
unofficial speculation that the United
States, watching increasing German
pressure against the Vichy French
government which has authority over
Martinique, might be compelled to
occupy the French West Indies as a
protective measure.

State Department comment on the
new accord indicated, however, that
the Vichy government of Marshal
Henri Philippe Petain would retain
full authority over the Caribbean Is-
lands in return for formal neutrality
pledges given to Horne by the French
high commissioner.

Horne carried to Fort de France a
message from President Roosevelt
containing assurances that the sov-
ereignty of the French possessions in
the western hemisphere will not be
imperiled now that the United States
is a belligerent.

Mr. Roosevelt pointed out in his
message that the United States
sought only to maintain friendly re-
lations with France based on a mu-
tual and cordial understanding of
each nation's problems, but that this
country must be certain of the se-
curity of such a nearby base.

DENSE FOG BLANKETED ENTIRE COUNTY FRIDAY

When our citizens arose from their
couches this morning and peered out
windows to see what there was to
see, they found they could see but
little. A dense pall of fog lay over
the face of the earth, rendering vi-
sibility exceedingly short in its range.

Automobiles that had been left out
through the night were coated with
the condensed moisture, and driving
was attended with hazards. The
temperature was just high enough to
keep the moisture from freezing on
windshields and windows, and wind-
shield wipers which were set to work
to remove it had but little difficulty
with their job.

bombers have heavily bombed Japa-
nese landing forces which obtained

WASHINGTON, Dec. 19.—(UP)—
Senate and House conferees failed
this morning to reach a compromise
on legislation to broaden the present
draft age limits and arranged to

ing Japan on one side and the United
States and Great Britain on the

Everett Jones Is Host To Veterans

V. F. W. POST MEMBERS WERE
SERVED "MULLIGAN STEW"
THURSDAY EVENING

Everett W. Jones, commander of
the Veterans of Foreign Wars post of
Greencastle, was host to the mem-
bers of the Post Thursday evening
at a "Mulligan" stew dinner at the
Lincoln restaurant. The "Mulligan"
was a duplicate of what the men were
served in the army, some of whom
had served in campaigns in the
United States, France, China, and the
Philippines, and to be associated with
this group for a short time would
solve the problem of the satisfaction
of the layman of why the Yanks
have won every war in which they
have been involved. They live up to
the tradition of the U. S. Marines.

The dinner was served as a result
of a membership drive. If the new
members came up to a certain quo-
ta, the dinner was "on" Commander
Jones, otherwise, it was "on" the
Post, but in the end the quota was
over-subscribed and the dinner was
at the expense of Commander Jones.

State Adjutant W. L. Hardwick
and others from Indianapolis were
present for the meeting and Mr.
Hardwick made a short talk, but it
went home and indicated that even
though these men are nearing the
50 mark, many of them are willing
to go back into service and some are
already almost back in the army, to
aid in seeing that within the near fu-
ture, there will be a total eclipse of
the "Rising Sun." Mr. Hardwick in
his talk, mentioned the fact that
congress has already indicated they
want to give a pension for the vic-
tims at Pearl Harbor, but he said
this same magnanimous group of
congressmen have denied widows and
orphans and dependent members of
the Veterans of Foreign Wars any
just compensation. He urged the
working more towards this end.

There were several other short
talks and a general good time was
enjoyed by every veteran present. It
was also indicated that the next
District meeting of the Veterans will
be held in Greencastle some time
during February.

SET HEARING FOR DEC. 23

The State Tax Board has notified
Eddie Buis, county auditor, that a
representative of that board will be
in the office of the auditor, Dec. 23
at 10:30 o'clock to hear taxpayers on
the proposed transfers and additional
appropriations of Putnam county
funds, and also to hear taxpayers on
transfers of Marion township funds.
This latter is an old matter, which
had been overlooked by the state
board.

JAP BOMBERS IN RAIDS OVER MANILA AREA

AMERICAN ANTI-AIRCRAFT
GUNS THROW UP HEAVY
BARRAGE

THREE TRANSPORTS ABLAZE

24 Nippon Planes Attacked Cavite
About Noon Today; Land
Forces Active

MANILA, Dec. 19.—(UP)—Ameri-
can anti-aircraft guns threw up a
tremendous barrage against Japanese
bomber squadrons striking at mili-
tary bases in the Manila area today
and eye-witnesses arriving from the
west coast of Luzon reported that
three Japanese transports had been
seen in flames off Vigan.

An official communicate said that
24 Japanese bombers attacked Cavite
about noon. Later they were seen
over Corregidor, where they met
heavy anti-aircraft fire.

American airplanes smashed re-
peatedly at the Japanese forces, in-
cluding warships and at least two
aircraft carriers, in the Vigan opera-
tions, refugees reaching Manila said,
but considerable enemy forces were
landed despite heavy casualties.

(A war communicate issued at
Washington said that United States
submarines sank a Japanese trans-
port and probably a destroyer, pre-
sumably in the Philippines area.)

The enemy forces landed at Vigan
were engaged later and driven back
by American and Filipino forces,
which also were fighting a Japanese
landing force in the Legaspi sector
on the southeastern tip of Luzon.

The third enemy landing, in the
northern Aparri area, still was being
contained by defense units, according
to latest word reaching Manila.

Refugees returning to Manila from
Legaspi said Filipino defenders, often
using knives, were fighting furiously
against the Japanese, usually in
hand-to-hand combat.

Enemy air raids were renewed at
noon today by 24 black winged Ja-
panese bombers that flew in from the
north and dumped numerous bombs
near the Cavite naval base, about
eight miles across the bay from
Manila.

The planes, forced to a high alti-
tude by defense fire from the ground,
then turned toward Corregidor, the
most strongly fortified point in the
Philippines, about 25 miles out from
the capital.

The anti-aircraft fire was particu-
larly strong in the Corregidor area and
huge white puffs could be seen in the
sky over the fortress.

Previously, the Japanese had raid-
ed populous Iloilo on Panay island
and had attacked military establish-
ments at Tarlac, 50 miles south of
Manila.

Reds Continue To Push Nazis

RUSSIAN TROOPS SMASH AT
CENTER OF GERMAN LINE
WEST OF MOSCOW

MOSCOW, Dec. 19.—(UP)—Red
army shock troops are smashing into
the German center west of Moscow
in a new drive which threatens to roll
the Nazi hordes back through Moz-
raisk toward Vyazma along the his-
toric road of Napoleon's grand army,
dispatches from the front indicated
today.

Russian armies to the north and
south had broken the enemy lines
and sent entire German armies stag-
gering back on the German right and
left flanks.

Hundreds upon hundreds of villag-
es, and some big towns, had been re-
taken. Advanced red storm troops
were reported driving the Germans
from villages surrounding Mozhaisk,

REDS PUSH NAZIS

(Continued from Page One)

60 miles west of Moscow. The Russians were threatening Vokhov, on the Leningrad front, and Kharkov, the great Ukrainian industrial center on the far southwestern front.

Today's first war communique announced the recapture of Alexine, 20 miles northwest of Tula on the front south of Moscow, in a fight which cost the Germans 1,000 casualties. In the Tula area generally the Russians were now retaking coal mine regions, vitally important, and the Germans were retreating so rapidly they were abandoning increasingly large amounts of war materials, without having time to break their usual fury on military and civilian objectives.

The communique announced the recapture within the last 24 hours of 24 towns and villages on the west-Moscow front and the wiping out of a complete German battalion of 1,000 men in one fight.

OPEN evenings until Christmas. Miller's Drive In Store. 19-51.

Chadd Will Bring Indians To Town

ANDERSON TO MEET TIGER CUBS ON LOCAL FLOOR SATURDAY NIGHT

Greencastle's Tiger Cubs take on another tough foe Saturday night in the local gym when Coach Archie Chadd brings his Anderson Indians to town. This will be the last high school basketball game until after the Christmas holidays and if Santa Claus is good to us, maybe the Cubs will present their fans with a victory.

And speaking of victory, a special feature is planned between halves of the Anderson-Greencastle encounter, when seven charming majorettes will perform. Their entertainment, it is said, will have a "V for Victory" formation as a fitting climax.

Archie Chadd is a former Bainbridge boy and a large delegation of folks from his home community are expected to witness the tilt. Anderson always has a good team and the Tiger Cubs will have to but fort! their best efforts to win from the invading Indians.

There will be a preliminary tilt starting at 7 p. m.

And we might add in closing that Greencastle has one of the best high school bands in the state. If you don't believe it, come over to the gymnasium tomorrow evening and hear the boys and girls under the direction of Gene Pennington.

Trail," which comes to the Granada Theatre on Saturday only. Betty Miles, California's champion cowgirl, is seen in the leading feminine role, the picture finds Tom fighting against a band of desperadoes who are trying to dispossess two girls whose father they have shot in a cattle war.

The Three Mesquites' battle for justice against the rascally Commissioner of a western territory is the theme of the outdoor action picture "Gangs of Sonora," starring Bob Livingston, Bob Steele, and Rufus Davis, which the Chateau Theatre will present for 2 days, beginning Friday night.

The Commissioner is using his office to enrich himself, and although the Federal Government has set a date for the voters to decide whether or not they wish statehood he is keeping it a secret.

Old Gold Cagers Rap Louisville

VISITING SQUAD PROVED STUB BORN OPPOSITION FOR TIGER TEAM

DePauw's basketballers found the University of Louisville squad a stubborn opponent last night over at Bowman gym, but the Tigers spurted in the latter part of the fray to defeat the visitors, 41 to 35.

DePauw got away to a nice start, running the count 8 to 2. The quarter ended with the Tigers leading 11 to 6. In the second quarter Louisville hit its stride, and, using set shots and counting on all free throws, caught the Tigers at 14-all and went ahead, 17 to 14 before Don Jones and Wally Etcheson brought DePauw into a one-point lead at the half, which ended 18 to 17.

In the third quarter neither team scored heavily, DePauw seeing a four-point lead of 24 to 20 fade into a one-point lead for Louisville at 25 to 24. In the final period DePauw spurted and ran 10 points before Louisville scored again and the Tigers were comfortably ahead throughout the remainder of the game.

The posters will be displayed in various store windows down town.

Geard Reynolds was also the winner of the Dramatic Club poster contest for the play Daddy Long Legs.

The Christmas edition of the Ink Pot was published today. The staff elected for the paper was chosen from one of Miss Walls' junior English classes. The seniors are again sponsoring a unique dance after the basketball game between Anderson and the Tiger Cubs, Saturday night. The Mistletoe Frolic will be full of surprises and the dance music will be furnished by the popular Swing Band directed by Gene Pennington. Tickets for this dance can be obtained from any senior. Ardith Shuey is the chairman of the committee.

In the display cases in the High School hall there are two unusual and nice displays this week. Miss Lois Fraley Ritchie who taught Latin last year before her marriage has been generous enough to display her unusual bell collection. EXHIBITS SCHOOL PAPER

John B. Boyd, of Greencastle, exhibited to friends this forenoon, with considerable pride, a copy of the weekly publication of the Bosse High School of Evansville. His interest in it is that his youngest son, John A. Boyd, commonly known as Jack around here, who is instructor in journalism in the school, is advisory editor of the publication. This issue is printed in colors, abounds with advertising, and is replete also with school news. Mr. Boyd said that the school authorities consider the newspaper a very effective mean of coalescing the interests of the parents with the interests of the pupils, and the school heads give it their heart-felt support.

He said it is more a matter of transportation for such materials rather than the supply of the materials themselves. In that way, it affects asphalt, tar, road oil, shipped lumber, and such gravel as is shipped in. He did not expect the Putnam county road program to be affected seriously, but there is a chance, he said that the black-topping will be slowed because of the necessity for shipping in some of the materials used.
